

THE SPIRIT OF ABS

This is who we are.

WHO WE ARE.

We are defined by a vision, a mission, and a core set of traits that make us truly unique.

As important today as they were in the past, these characteristics define how we approach our work.

Together, they describe the Spirit of ABS.

OUR VALUES. THE SPIRIT OF ABS.

SAFETY. What we do matters to the lives of people and the quality of the environment. We are vigilant in our goals to improve safety practices and minimize risk exposure and downtime.

PEOPLE. We have a globally diverse and engaged workforce that is trained to the highest level. The various skills, perspectives and experiences of the ABS employees is what makes them our best asset.

INTEGRITY. In everything we do, we are honest, ethical and trustworthy. Clients depend on us as an impartial, objective resource.

RELIABILITY. You can count on us. We're easy to reach and quick to respond. We deliver practical, tailored solutions that exceed expectations.

INNOVATION. Solving problems is good. Anticipating problems is better. We do both through continuous research and development focused on staying ahead of the curve.

TEAMWORK. The best safety solutions are achieved together. We work closely with our stakeholders as a dependable, flexible and efficient partner. We are dedicated to sharing our experience and contributing to the education of future industry leaders.

QUALITY. Expect the best. When we set out to solve a problem we do it right. We are thorough and relentless in the pursuit of safety.

OUR VISION.

Safety drives us. We are global innovators turning tools and practices into practical solutions to support the industries we serve.

OUR MISSION.

To serve the public interest as well as the needs of our members and clients by promoting the security of life and property, and preserving the natural environment.

OUR GOALS.

Safety, service and solutions are the three goals that define the activities of ABS. They are the bedrock upon which we base our commitment to set standards of excellence as one of the world's leading marine and offshore classification organizations.

We have been able to achieve those goals through the innovative thinking, enthusiasm and professionalism of our highly experienced staff.

OUR PEOPLE.

We are shaped by who we are.

CONFIDENT. We understand how to achieve the best solutions. Years of experience, training and continuous learning have made us self-reliant in our actions and secure in our decisions.

MOTIVATED. Safety is our motivation. We are driven to achieve it, inspired by the goal, and encouraged by our success.

CREATIVE. We are inventive problem solvers and visionary innovators who produce results.

RELIABLE. We are a steady hand. At every turn, whatever the challenge, we are dependable and steadfast. We are a responsible resource for practical solutions.

RESOURCEFUL. We find a way. With safety at stake, every challenge is subjected to an enterprising approach to finding the best solution. We apply our talented, highly capable resources to a creative, inventive exploration of the options.

ENTHUSIASTIC. We are passionate about safety and fully devoted to achieving it.

COMMITTED. Our balanced approach and solid methods provide security and dependability that are uncompromising.

Every day stakeholders look to us to help them protect people and property, and preserve the natural environment.

THE SPIRIT OF ABS.

Making the world a safer place.

And nothing could be more important.
